Hunger

A feeling of pain, emptiness, or weakness induced by lack of food; a weakened condition brought about by prolonged lack of food.

Project 2011

Your commitment of \$11 a month in the year 2011 will help secure food and shelter to over 300 orphaned and vulnerable children at Maisha. Help us sustain life and end malnutrition by providing them quality food and a well balanced diet. Invest in the future of these children by ensuring their well being today.

Who we are

Maisha International Orphanage is a non profit humanitarian organization. Our vision is to bring hope to the hopeless and light to the darkness. We inspire people to help people and strengthen communities by finding lasting solutions to stop poverty, hunger and disease.
